ACTIONS

PREP

ROADBLOCK

Place 1 barricade during the prep phase without spending tokens.

DEFENSE

STALWART DEFENSE *(safe)*

If you hold position at a location, roll your next defense roll with advantage.

PARTING SHOT (*costly*)

When you retreat from a location or
barricade, you may opt to deal 1 damage.
Take 1 harm.

DESPERATION

NOT ONE STEP

Spend 2 tokens:

The next assault on your position fails automatically.

CHARACTER

CHOOSE 2:

- *What were you running from when you came to the park?*
- *Why did you leave the park and come back?*
- *What do you keep in your personal locker at the ranger station?*
- *When you close your eyes at night, what memory keeps coming back unbidden?*
- *You have one thing from before the invasion you carry on your person, what is it?*
- *In the aftermath of everything you lost touch with someone important. Who was it, and why can't you stop thinking about them?*

FIELD OPERATIONS GUIDE

YOUR TURN: 3 ACTIONS

SAFE ACTIONS (auto-succeed)

- Move along trails
- Move on unoccupied roads
- Use location ability
- Setup chokepoint
- Hold position (gain 1 token)

RISKY ACTIONS (roll d6)

- Assault the wave
- Bushwhack (off-trail move)

ROLL OUTCOMES

1–3 Fail — take harm 4–5 Mixed — succeed but take harm 6 Clean success

Advantage: Roll 2d6, take higher *Disadvantage:* Roll 2d6, take lower

ASSAULT DAMAGE

Base: **1 momentum** Bonuses: archetype +1, location +1, synergy +2 Max: 3

DEFEND POSITION

When wave assaults your position, roll d6:

1–2 BREAKTHROUGH — Must retreat to adjacent location (if cannot → captured)

3–5 CONTESTED — Wave takes damage; choose: injury / exhaustion / retreat

6 REPELLED — Wave takes damage, you're safe

INJURY TRACK

HEALTHY — Full movement options

1 INJURY — No bushwhacking (off-trail); trails and roads only

2 INJURIES — Roads only, no trails; high capture risk

3 INJURIES — Cannot move; must hold or be captured; 1–2 = capture, 3–5 = no retreat

EXHAUSTION

Your dice pool for risky rolls. Base: 3d6 (3 empty circles). Mark circles as you exhaust; roll only unmarked dice (min 1d6).

When you take harm, choose: Mark 1 injury OR mark 1 exhaustion

RECOVERY

Between waves, each ranger gets 1 point: heal 1 injury, clear 1 exhaustion, restore 1 obstacle, or use location recovery bonus
